A high-contrast, orange-toned portrait of a man's face, partially obscured by a horizontal bar. The man's face is on the left, looking slightly down and to the right. The background is a textured, orange-brown color with some darker, irregular shapes. A horizontal bar with a white background and a dark blue right section runs across the middle of the image.

expand consciousness

The image features a solid orange background. Overlaid on this are two faces. The face on the right is a man's, wearing a white shirt and a dark tie, with a low-poly, geometric overlay in white and orange. The face on the left is a woman's, looking directly at the camera. A horizontal white bar with a thin black border runs across the middle of the image, containing the text "celebrate diversity".
